

Nottingham BioBlitz & Wild Discovery Day

SATURDAY, MAY 2ND

Marston Farm Recreation Area
240 Mill Pond Road, Nottingham, NH

explore, discover & learn

Are you curious about the different plants, wildlife, insects, and other species that live around you? Explore alongside experts to identify and learn about the species that live in Nottingham! You can come for a guided walk with experts, to explore booths from local organizations, to see captivating presentations featuring native wildlife, and more!

No experience necessary. This is a family-friendly event. Children are welcome with adult supervision. Food will be available for purchase from The Friends of Nottingham Parks & Recreation.

Registration is required for guided walks.
